

HOW TO FIND US

From M5 South:

Take Junction 30 of the M5 braking hard for the roundabout... hold it in 3rd as you take the 2nd exit signposted Sowton. Slide into the right hand lane up the short straight, at the crest take the small roundabout flat in 3rd signposted Sowton. At the next set of lights let the back end drift into a sharp left turn signposted Kestrel Way. A short sprint up to a mini roundabout, stand on the brakes and fight the understeer as you take the 2nd exit up Bittern road. A longish straight, so quick sprint up through the gears until clipping the apex turning left at the signpost for the Omega Centre. Barely time to change gear before crossing the line as you turn first right into exe-tc's car park.

From M5 North:

Peel off Junction 30 of the M5 changing down for the lights on the roundabout... hold a tight line for the 4th exit signposted Sowton. Swerve into the right lane up the short straight, at the crest take the small roundabout flat in 3rd signposted Sowton. At the lights let the back end drift into a sharp left turn signposted Kestrel Way. A short sprint up to a mini roundabout, stand on the brakes and fight the understeer as you take the 2nd exit up Bittern road. Hard up through the gears clipping the apex turning left at the signpost for the Omega Centre - HPS. Cross the line as you turn first right into exe-tc's car park.
